MEMORIAL TRIBUTE (Mrs. Winifred Wyper)

It was with regret that the Australian Church Women N.S.W.
Unit learned only this year of the Passing of Mrs. Winifred
Wyper. It was only in recent years that she passed on to
her reward at an advanced age. We understand she was a
member of the Congregational Church. The enclosed cuttings
from early documents tell us she was one of those hard
working ladies who operated "Wybalena" Hostel for country
girls in the 1950's and 1960's. This hostel was at 1
Appian Way, Burwood, not now in existence. The surrounding
houses are so historic they are classified under the National
Trust. Many of Mrs. Wyper's fellow workers became Life
Members of A.C.W. also and have now Passed on. She was
Hon. Secretary of the Appeals Committee and a member of
the Hostel Committee for many years. The story of Wyabalena
is recorded in a booklet published in 1963. Mrs. Wyper was
instrumental in forming the Mosman Auxiliary where she lived
and an amount of £465 was raised in the 50's. At that time
the organisation was known as the N.S.W. Women's Inter- Church
Council, the forerunner of Australian Church Women.
