

NEW SOUTH WALES WOMEN'S INTER CHURCH COUNCIL

A N N U A L

R E P O R T

1973

1973 has been a growing and progressive year in the work of the N.S.W. W.I.C.C. There have been some impressive "firsts" for the members of the council and church women throughout city and country centres. The service of Installation of our new President, Mrs. R.H. Dougherty, and the dedication of the Executive Committee took place at the Methodist Community Centre Church at Chatswood, in May. A capacity congregation fully representative of all denominations and member organisations shared in a most inspiring and sincere time of Fellowship. This service was unique in that two of our Winifred Kiek scholars were able to participate in the service.

The main emphasis at council level has been "Friendship" and great effort has been made for representatives to get to know and understand representatives from other denominations. In August, our representative to the Good Neighbour Council spoke on the work of the Council, and in the discussion following members contributed ideas on the ways in which their churches' conducted assimilation programmes. Concern was expressed at Council at the lack of publicity available to Church news, throughout the media.

Fellowship Day Services: These were well attended. 14 city services, 17 country centre services were held. The theme "Hand in Hand" was dealt with in many different ways, but was particularly successful in acquainting members with the countries from which Winifred Kiek Scholars are selected.

Community Day Services: 18 country services, 10 city services with the theme "Where in the World is my Neighbour". As part of the Opera House Opening festivities the city service was held in Historic St. James Church of England, King Street, Sydney. Mrs. Schuller McGeedy, immediate Past President of the International Council of Women, gave the address to a large Congregation. Following the service conducted by Rev. F. Cuttriss, over 140 members and visitors attended a Bus Tour of Historic Churches and this provided a very happy time of Fellowship. In some centres, Fellowship and Community Day services are held at night, providing an opportunity for Church men to share in the services.

Winifred Kiek Scholar: 1973 gave N.S.W. the opportunity to be the ~~host~~ State for Miss Kalpana Airon, BA, B.Ed, a delightful Christian woman whose witness during her study time has had great impact on all with whom she came in contact. Her Post Graduate studies were with the University of Sydney, Van Leer Project, and she completed the course with a high level of achievement. Miss Airon has returned to Satara, India, and is at present involved with the setting up of pre-school preparation of underprivileged parents and children, similar to projects in Australia with Aborigines and New Zealand with Maoris.

Miss Violet Sampa who was present at the Installation Service for our President is serving as Pastor in the absence of Rev. Dorothy Wacker at Applecross, Western Australia. On her return to Zambia, she will be the first ordained woman Pastor of the Church of Zambia.

New Representation: Following a recommendation from the Archdiocesan Commission for Ecumenism Roman Catholic Women are affiliated members of council and we look forward to a growing fellowship and understanding with these women.

Branches: Two new branches, Parramatta and Hunters Hill Gladesville have affiliated with the Council.

Australian Church Women: Mrs. Dougherty and Miss Mitchell our President Elect attended the National Committee meeting at Lincoln College, Adelaide.

Asian Church Women's Conference: Mrs Dougherty reported that Miss Elkin Umbagai of Mogem Mission Western Australia, has been elected as observer to the Asian Church Women's Conference in Bangkok 1974. N.S.W. is particularly pleased, that after 7 years of agitation, we at last have an Aboriginal Church woman to speak for her people.

Involvement with world projects: Participation at group and individual level in the Fellowship of the Least Coin and the circle of prayer continues to grow. The two special day services for World Community Day and Fellowship Day enable men and women to cross denominational divisions by discussion and through our offering on Community Day support projects of World Christian Action. Fellowship Day offerings enable the Winifred Kiek Scholars to come to Australia for further studies.

Last, but not least, a note of thanks to all members of Executive and Council, for their service and loyal support. To members who, in their own special ways, gave us so much: Mrs. A. Green, Mrs. Ralston, Mrs. Gammie, Mrs. Pfeiffer and Mrs. Dougherty, our retiring President who brought so much of her love of God and understanding of people, a most sincere thank you.

In closing, to our new President and Committee, a sincere prayer that God will richly bless the work of the N.S.W. W.I.C.C. in the coming year.

DOROTHY MARTIN  
HON. SECRETARY
