

VICEREGAL LODGE.
SIMLA.

Sept. 16 1897.

Dear Mrs Jones.

I must thank
you for your very
sympathetic letter
which it gave
me so much pleasure
to receive. The
kind thoughts &
sympathy of our
old friends have

been a great place
to us.

Somany I knew
in Queensland have
lost their husbands
& sons in this terrible
war! One is glad
to feel that we
were fighting for
a great cause. It
is that knowledge

which has inspired
our sons. and is
for our country
that we have given
them up.

Both the Viceroy & I
have very busy lives
and are thankful
for work. It seems
the one thing which
helps one in
Siam.
My boy spent several

happy years in
Queensland. I
have many memories
of his childhood
there.

Again thanking
you for your sweet
Dances. Cherished

With you thank you
daughter for her message
