### **REPORTS**

- 1 **Winifred Kiek Scholarship Convener - Dorothy Ferrier**  
On arriving back from the National Conference a letter was received from Mai Zin Zin Wah. She is settling in well, and the College is being very helpful, particularly with her English language. Mai was also looking forward to a visit from her Archbishop as he made his way home from an overseas trip.

1 **Winifred Kiek Scholarship Convener - Dorothy Ferrier - cont**

Her 12 month course will commence on 1 January, 2000 which will probably mean that she will be away from home longer than anticipated. I would be surprised if visa requirements will allow her to go home for a holiday. I have written to her assuring her of our prayers. The Trustees have met and revised the application forms a little and these will be despatched to the South Pacific Area by the end of December 1999. I have also written to the Unit WKS Conveners advising them of the above information and requesting the numbers of leaflets they require.

2 **Fellowship of the Least Coin Convener - Margaret Greenslade**

I have received 'silver, white and green' FLC badges from Esther Byu who posted them from Thailand rather than wait till November as originally suggested. They are now available as required. I have to order Shanti Solomon's autobiography "A Legend and A Legacy" from India and they will be available from me later.

3 **Social Justice Convener - Mavis Ellis**

Laurice Smith and Lynn Smith attended the Candlelight Vigil held outside the Harry Who & George Goss shop as part of the 'Fairwear' campaign. 45-50 were present.

4 **Publicity Convener - Barbara Grealy**

I need the names and addresses for State Denominational Newspapers/magazines and Secretaries of National Denominational Executives.

**GENERAL BUSINESS**

1 **Costs for printing ACW News & the Minutes** - quotes from 2 printers were presented. The Minutes will be done at Parish Print. A further quote will be sought from Victor Print before a decision is made about ACW News.

**WKS leaflets** - the cost for printing & folding these is needed.

2 **Special Days Convener** - still being actively sought.

3 **Project for World Community Day 2000** - Units to be asked for suggestions and replies to be with the National Executive by 25/2/2000. Units will then be notified by 31/3/2000.

4 \*\*\*\*\* **World Community Day Theme** will be, "Moving Forward in Hope". NSW will be preparing the order of service.

Units can provide their members with Directories as needed but they will not be on ACW Newsletters for outside people to have access to them. National Executive will use this system and the Directory is enclosed.

7 **The WK Memorial Book** - after Executive has seen the book a decision will be made about making another copy.
