

Minutes of Meeting held on May 29/1953.

Mrs Lew, The President, opened the meeting with Prayer, Scripture Reading, and a brief Address in which reference was made to the Coronation on June 2nd.

The Queen, she said, has already dedicated herself to the Service of her people, and is mindful of her immense responsibility to her subjects. As citizens, we too, must be aware of our responsibilities: we must strive to bring about a greater unity in religion. Today, almost everywhere, ideas & ideals are altering, or being forcibly altered: but it must be remembered that God is unchanging in the world of changing Conditions. Are we, as Christians, ready & willing to meet this Challenge for leadership?

Apologies: Mesdames Deane, Butler, Deans, Snow
Lyster & Gill.
