Dear Friends,

The age-old rhyme says —

“Christmas comes but once a year,  
And when it comes it brings great cheer”.

To me it seems that Christmas comes very, very often to many folk these days. We live in a land of unbelievable wealth, and in an age that hardly knows the meaning of hard work.

We ought not complain about our good fortune, or wish that days were tougher and tougher than they are. For our grandparents the test of their Christian faith was the harshness of the country and sheer hard work required to conquer this sunburnt land. To their credit, and to God's glory, they survived and gave us a great heritage. Today, our testing lies in a soft society which enjoys enormous wealth for many, if not for all. Our test — can we handle it without losing faith, becoming mere materialists or closing our hearts to others needs.

Christmas becomes yet another of the many celebrations — the New Year, Australia Day, Anzac Day, Easter Day, Labour Day, Queen's Birthday, Remembrance Day, Father's Day, Mother's Day, our own birthday, the wedding anniversary, the day we were engaged, the day we began work, the day we changed jobs, the day we were baptised, the day we were divorced, the day we were confirmed — and so they go on and on — the day we moved into our house, the day exams finished — on and on.

Christmas used to come once a year, but how often does it come these days? Maybe only one day is called Christmas, but if it's gifts and festivities that makes Christmas then it seems as if it happens almost weekly.

I guess it all comes down to what Christmas is all about. It celebrates the time that God burst into our human history.

Christmas celebrates the day that Jesus Christ, God's only Son, was born of Mary of Nazareth. God took human flesh and came and dwelt among us. He lived with men for thirty odd years — that is, until men rejected Him and tried to do away with Him by nailing Him to a cross. Strangely enough this was what God expected and yet God loved us and was willing to sacrifice His Son for us. Amazing Love!

Christmas only comes once a year in the celebration of the birth of a Saviour. However, Christ needs to be born in our hearts each day — a daily cleansing from sin.

The cheer Christmas brings to the believer does not leave a hangover the next day, or a broken toy the day after. The true cheer of Christmas is the joy of sin forgiven and the abiding love of God found in Jesus Christ, our Lord and Saviour.

Have a Happy and Holy Christmas.

Yours sincerely, BRUCE WOOLCOTT

**FETE GROCERY STALL:** I would like to thank all who made a donation towards the great success of the Grocery Stall this year. The Sunday School's stall made \$435 on the day plus \$20 paid in earlier in the year to make a grand total of \$455.

I would also like to thank the ladies who made the jam, the young folk who helped on the stall, and for the help I had on the Friday to set up the stall.

**SUNDAY SCHOOL CHRISTMAS PARTY:** This year the Senior Sunday School will be joining with the Kindergarten for a Christmas Party. The party is to be held on Friday, 16th December, commencing at 5.30 p.m.

### SENIOR PARISHIONERS' CLUB

As I write these notes, one of our loved members, Mary Pullen, is in Lewisham Hospital. Our prayers are with you, dear, and we hope you will soon be back with us as good as ever.

Our Club will now go into recess for the Christmas and New Year holidays. We resume on Thursday, 26th January, 1984. We hope on that day to see all our members back again with happy smiling faces; also, it would be nice to be able to welcome some new ones. Think about it!!!

Our Club members wish each other and all those around us the Blessings of Peaceful Happy Christmas and Good Health and Happiness in the New Year.

IDA BARRETT, Hon. Sec.

### WOMEN-IN-FRIENDSHIP

Well, the big Fete that we have all been working and planning for is over for another year. Many, many thanks to all our good friends (and there were so many) who donated to our Cake and Sweet Stall in any way. The proceeds of the Cake and Sweet Stall was \$392.33. Thanks to all once again.

We finish the year with a Christmas Party instead of a meeting on Tuesday, 6th December at 1 p.m. in the Parish Hall. Mrs. Elizabeth Kizero and Mrs. Beverly Champion will be our entertainers. Please come and join us, I'm sure it will be a lovely afternoon. There won't be a charge, but if you wish to donate, there will be a plate at the door.

As usual, our Club will go into recess until the first Tuesday in February, 1984.

We take this opportunity to wish all a Happy Holy Christmas and Good Health in the New Year.

IDA BARRETT, Hon. Sec.

**THE FETE**

Now that the Fete is over, we can all relax a little. Thanks from the Rector and Parish Council are due to all who assisted in any way. There are big jobs and small jobs, and the small jobs are countless, right down to sustaining the stall workers with cups of tea.

The erection of the stalls and tents went smoothly and quickly due to an ample supply of male workers. We hope to see them more frequently.

All Saints Fete has always been a time of reunion with people who have left the Parish and this year they were abundant. It is some years since we heard Bernie Sayers voice in the choir but it came in very handy when I wanted to thank an unknown visitor for returning Mrs. Hunt's wallet. If you come to All Saints, your talents will be put to use.

There was a time when the Parish could debate how the Fete profit could be used, but that does not apply now. It goes straight into general income to help balance the budget, and with it the income from re-cycling cans and newspaper and magazines.

May I wish all of you a satisfying Spiritual Christmas and a Happy New Year, with the hope that your New Year Resolution will be to attend All Saints frequently.

Sometime, when you're feeling important,  
Sometime, when your ego's in bloom,  
Sometime, when you take it for granted,  
You're the best qualified in the room.  
Sometime, when you feel that your going,  
Would leave an unfillable hole,  
Just follow this simple instruction,  
And see how it humbles your soul.

Take a bucket and fill it with water,  
Put your hand in it up to your wrist,  
Pull it out: and the hole that's remaining,  
Is a measure of how much you are missed.  
You may splash all you please as you enter,  
You can stir up the water galore,  
But stop, and you'll find in a minute,  
That it looks quite the same as before.

The moral of this quaint example is:

Do just the best that you can,  
Be proud of yourself, but remember,  
There's no indispensable man. . .
