

The ARK repository

The ARK is Moore College’s archive of digital material. It includes archives and rare books, Moore College digital media and resources, and theses produced by Moore College students.

To begin go to ark.moore.edu.au

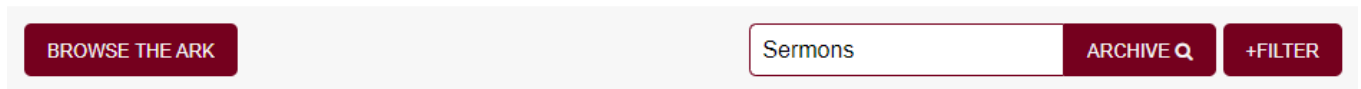

1. Performing a search

2. Enter **search term(s)** into the search box and press ‘Search’.

3. A general term such as “sermons” will generate a lot of results.

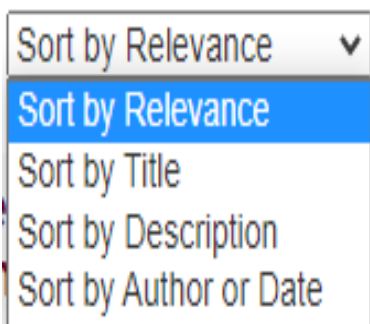

2180 total results

[In complete archive](#)

4. To narrow down your results, there are a number of things you can do.

A. You can “Sort the results”.

This works well if you know of a specific title or author etc.

B. You can narrow your search. This can be done using the menu bar on the left. You can refine your search by clicking one or more boxes, such as dates, type of document etc.

A screenshot of a search interface showing three filter panels. The first panel, titled 'NARROW YOUR RESULTS', has a sub-section 'Creator' with two options: 'Australian Church Record (858)' and 'Church Record for Australia and New... (213)'. The second panel, 'Date', lists five ranges: '1900-1930 (316)', '1930-1950 (296)', '1950-1970 (292)', '1980-1990 (274)', and 'Pre 1900 (243)', with a 'Show 5 more' link. The third panel, 'Content type (Display)', lists 'document (1577)', 'audio (581)', 'video (7)', and 'presentation (2)'.

C. You can refine your search terms. By using a more specific search term you will not have as many results to sift through, for example, instead of searching for just "Sermons", if you search more specifically for "Sermons forgiveness", you will get more refined results.

A screenshot of a search results page. At the top, there's a search bar with 'sermons forgiveness' and buttons for 'ARCHIVE Q' and '+FILTER'. Below the search bar, it says '643 total results' and 'In complete archive'. There's a 'Sort by Relevance' dropdown and icons for list, grid, and compact views. On the left, a 'NARROW YOUR RESULTS' sidebar shows 'Creator' filters: 'Australian Church Record (404)', 'Church Record for Australia and New... (70)', 'Australian Record (45)', and 'Church of England'. The main results area shows two identical entries for 'Forgiveness & leadership' by 'Courtney, Dane', with a 'Jhn 21:15-25' reference and a 'Forgiveness & leadership' tag.

Scroll through the eResources available and **make your selection**. Keep searching until you find what you are looking for.

SKILLS GUIDES

You can also narrow down your results using the **Filter**.

sermons Forgiveness **ARCHIVE Q** **+FILTER**

- Title
- Title**
- Author/Creator
- Subject
- Date
- Type
- Format
- Coverage
- Publisher

For example, you could filter your search by dates.
